

KINGS BAY Y ENJOYS SEASON'S WARM GLOW

Chag Sameach...

Mom, dad and the kids added to the kinship when the Kings Bay Y presented its annual community Chanukah celebration.

Visitors hailed the first day of the week-long

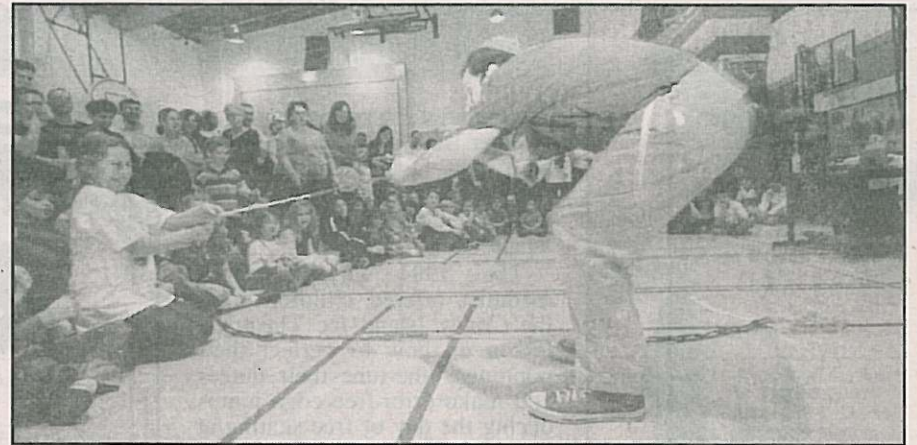

Festival of Lights with a program of fun and festivity at the bustling community facility, 3495 Nostrand Avenue, where they enjoyed a cornucopia of crowd-pleasing attractions and amusements; among

them, carnival-style games and rides, arts and crafts and a mini-open house to showcase the Y's service and recreational programs.

Holiday refreshments and gifts accompanied the festive frolic.
