Meet The Instructors

Our Swim Instructors are committed to offering the safest and most efficient swimming lessons for your young ones. They have worked tirelessly to create a safe and fun learning environment in order to make the most out of your child's experience in the Learn to Swim Program. Below you will be able to read more about who will be guiding and teaching your child throughout the duration of this program!

Gennady

Gennady has been a Swim Instructor with the Kings Bay Y since 2002. Gennady has dedicated his entire life to helping children develop and master the art of swimming. Gennady is a motivational teacher and loves to create a fun learning environment for everyone.

Irakli

Irakli has been an instructor with the Kings Bay Y since 2020. Irakli was a competitive swimmer throughout his childhood and began to play water polo for the Y Pro Water Polo team when he was 14. During his childhood, he also participated in competitive diving. Irakli loves to create a fun and exciting learning environment where kids can not only develop their swimming skills, but also develop friendships and interpersonal skills. Irakli is an expert in the strokes of Breaststroke and Butterfly.

Jonathan

Jonathan has been a Swim Instructor with the Kings Bay Y since 2020.

Jonathan was a swimmer through his childhood and adolescence, competing in swimming competitions in and out of the state. Jonathan creates an exciting learning environment and loves to develop personal connections. He focuses on teaching on an individual level to further develop the skills of students.

Max

Max has been a Swim Instructor with the Kings Bay Y since 2020. Max was a swimmer for the entirety of his childhood and adolescence, competing for multiple teams and winning championships for his high school. Max is an expert in the strokes of Butterfly and Freestyle.

Eduard

Eduard has been a Swim Instructor with the Kings Bay Y since 2021. Eduard was a competitive water polo player for the Y Pro water polo team, competing and winning multiple championships and helping his team climb to the top division in the country. Eduard is an expert in the strokes of Breaststroke and Backstroke.

Mark

Mark is a swim instructor at the Kings Bay Y. He has been an active water polo player for the past eight years with Y Pro. Mark learned to swim at the Kings Bay Y himself and is passionate about teaching kids to learn this life skill.

Adelya

Adelya has been a swim instructor at the Kings Bay Y since 2018. Adelya prides herself in creating a challenging learning environment. She loves to challenge her kids and push them to their full potential. Adelya was a swimmer throughout High School and won several city level championships for her school. She is a master of the freestyle stroke

Anna

Anna has been an instructor with the Kings Bay Y since 2021. Swimming has been her passion for her entire life and continues to swim competitively. Anna hopes to pursue a career in education and further her educational skills here. She loves to work with children of all ages and creates a fun and friendly learning environment..

Jacob

Jacob has been a swimming instructor for nearly 10 years. He used to compete on the college swimming team, and was a lifeguard on our beloved Coney Island beach. Swimming, like any other skill, requires a particular approach that matches one's learning style, and Jacob dedicates himself to find a unique approach for you and/or your child to learn how to swim as optimally as possible.

Gabe

Gabe has been a swim instructor with the Kings Bay Y since 2016. Throughout his adolescence, Gabe was a water polo player for the Y Pro water polo team, while also swimming competitively for his high school. Gabe creates a rigorous and tough learning environment for students looking for a challenge! Gabe's area of expertise is working with young kids in our Parent & Me program and creates a fun environment for kids to develop comfortability in the water. He is an expert in the strokes of Breaststroke and Freestyle

Marisa

Marisa has been an instructor with the Kings Bay Y since 2020. Outside of Kings Bay Y, Marisa is a high school teacher. Marisa loves education and loves to work with kids. She creates a fun, exciting, and educational class environment for students of all ages and skill levels to learn.

David

David has been a swimming instructor at Kings Bay since 2020. Swimming is one of the many sports that David involved himself in during his childhood. During his teenage years, he competed in Georgian swimming competitions for his school. Outside of the Kings Bay Y, David is pursuing a career in the legal world. He creates a fun but difficult learning environment and thinks all children should take swimming classes! David speaks Russian, English, Georgian, and Turkish.

Parent & Me

The Parent and Me class is a child's first structured aquatic experience that forges a bond between parents and children in the water. Frequently Asked Questions

Where is my child's class located?

All classes are held in the Kings Bay Y building. Please bring your receipt or membership card. From there you'll be directed to the locker rooms.

What do I need to bring to the swimming lesson?

Your child will need a bathing suit, swim cap, towel and lock. A swim diaper is mandatory for Parent and Me classes.

How should I prepare my child for the lesson?

Each swimmer must take a shower before entering the pool. Entrance is from locker rooms only. Please do not change your child's clothing on the pool deck. Your child should be in the waiting area by the pool until the instructor indicates start of class.

Where can I keep my belongings during the lesson?

The locker rooms are available for use during lesson only. Please bring your own lock. Children of the opposite gender over 5 years old are not allowed in the locker room. The family changing room is available for use by the pool area.

What is your student to teacher ratio ?

1:4 for the 3-5 age group; 1:5 for beginners ages 5-14, and 1:7 for all other groups and levels.

What is your make-up policy?

Participants are allowed TWO make-up classes within the current semester. All make-up classes require a doctor's note, unless approved by administration.

What is your observation policy?

You can watch your child learn to swim from the balcony on the second floor. No parents will be allowed on the pool deck once the lesson begins. Parents must exit the pool deck through the emergency side door.

How warm is the pool?

Our pool is kept between 82-84 degrees

Frequently Asked Questions

When are classes typically offered?

We run a semester-based program and hold classes in the fall, winter, spring, and summer seasons.

How big is the pool?

All of our LTS participants get to utilize our junior Olympic size swimming pool which is 25 yards in length.

How often is the pool cleaned?

Our filters run 24 hours per day, 7 days per week. During each 24 hour cycle the pool is cleaned 4 times, once every 6 hours. The pool is super chlorinated one time per week; chlorine levels and temperature are electronically controlled and monitored.

Do you offer swimming lessons for students with special needs or disabilities?

Yes! We encourage you to book private swimming lessons for a more individualized experience. Please note that private lessons are dependent on the instructors availability.

Can I have my child participate in a trial lesson before we register?

At this time, we are not able to offer any trial lessons due to limited staff and the scheduling of the pool.

How do I know what swim level my child should begin with?

Please refer to the parent booklet, which offers descriptions of the skills that are aligned with each level. If your child has little to no experience in the water, they will most likely be placed in our Beginner 1 course.

How can I track my child's progress?

Swim tests will be conducted on the 9th lesson of each semester. Upon completion of the swim test, the instructor will report on whether or not your child is ready for the next level.

How do I know when to register?

Registration typically opens up about a month prior to the start of the new semester. Please follow along with our website for upcoming registration dates!

Is purchasing an ID card mandatory for my child's classes?

They are not mandatory, but are recommended. You're more than welcome to purchase one at the front office or add it to your purchase when registering online.

Do you offer discounted prices for current Kings Bay Y Members?

Members receive \$5 off of each class.

What is the duration of each lesson?

All of our LTS classes run for 45 minutes.

Frequently Asked Questions

Do you sell swim accessories on site?

Yes. We sell swimming caps and goggles for \$7 per item. Please stop by our front office or add them on to your purchase when registering online.

What languages do our instructors speak?

All lifeguards and instructors speak English. Many of them speak Russian as well.

What forms need to be filled out during the registration process?

The application and LTS contract need to be completed in order to proceed with enrollment.

Can I register for more than one class time?

You're more than welcome to sign up for more than one class. Please add each day and time you would like when registering online.

Are shoes required by the pool?

They are not required, but we recommend that every student has a pair of reliable water shoes.

Can my child use the steam room and the sauna?

As per department of health guidelines no one under the age of 16 years old is allowed in the sauna or steam room.
