Dear Parents:

We are asking you to complete this form, stating the names of the individuals who are allowed to pick up your child from the After School program. Please be as thorough as possible with this list, as we will not allow your child to leave with anyone that isn’t named below. Also, please be advised that the person picking up your child must have a valid form of photo ID on them, such as a driver’s license, a passport or current school-issued ID. There will be NO exceptions.

Thank you,
After-School Administration

Name:________________________ Phone Number:________________ Relationship to Child________________

Name:________________________ Phone Number:________________ Relationship to Child________________

Name:________________________ Phone Number:________________ Relationship to Child________________

Name:________________________ Phone Number:________________ Relationship to Child________________

Name:________________________ Phone Number:________________ Relationship to Child________________
